Sir:

In order to obtain the return of U.S. Patent Document 5,944,617, Applicants expressly abandon the above-identified reissue application. This reissue application was originally filed to seek broader protection for the subject matter of this application. The broader claims were restricted out into a separate reissue application that is no longer being pursued. Accordingly, the claims remaining in this application are identical to those in the original issued patent. Accordingly, no substantive corrections to the originally issued patent are being sought. As such, the reissue process is now moot.

Applicants respectfully expressly abandon this Reissue Application and

Applicant: Falone et al.
Application No.: 09/917,035

request the return of the original patent document to the undersigned.

Respectfully submitted,
